

Ontario Radiologists Insurance Services

DISCOUNTS FOR RADIOLOGISTS

In 1999, the Ontario Association of Radiologists (OAR) setup an insurance program to provide Radiologists with value added insurance services and premium discounts. There are over 700 Radiologists enrolled. It may be beneficial to review your current coverage and take advantage of the premium discounts.

Have you taken advantage of these discounts?

✓ 25% discount on Disability insurance

DISABILITY INSURANCE – 25% DISCOUNT

Purchase up to \$30,000 per month of disability coverage with a guaranteed annual premium discount. Policies are issued an *own occupation* definition of disability, a cost of living adjustment, a future income option, HIV Hepatitis B&C protection, and a conversion to long term care coverage.

✓ 10% discount on Critical Illness ins.

CRITICAL ILLNESS INSURANCE – 10% DISCOUNT

Receive a tax-free lump sum payment over and above your monthly disability payment after the onset of a critical medical problem such as a heart attack, cancer or stroke, MS, etc. If you do not claim, you may elect the refund of premium option and get back up to 100% of the premiums paid.

✓ 25% savings on Term Life insurance

TERM LIFE INSURANCE – UP TO 25% SAVINGS

Qualify for preferred rates and save up to 25% on term life insurance.

✓ 6.25% dividend interest rate on Whole Life insurance

WHOLE LIFE INSURANCE – 6.25% DIVIDEND INTEREST RATE

Whole life insurance is an asset accumulation, estate, and retirement planning vehicle. It is designed to enhance the cash value in a long-term dividend interest rate asset class while providing guaranteed increasing cash value and permanent life insurance. This is an excellent planning tool for those who are incorporated and saving money inside their corporations.

✓ Long term care insurance

LONG TERM CARE INSURANCE – NO MEDICAL REQUIRED

In the event of a chronic illness, cognitive impairment or the inability to complete two or more activities of daily living, up to \$9,000 per month may be paid *tax-free* to provide for home or facility care as required. There is no medical required.
